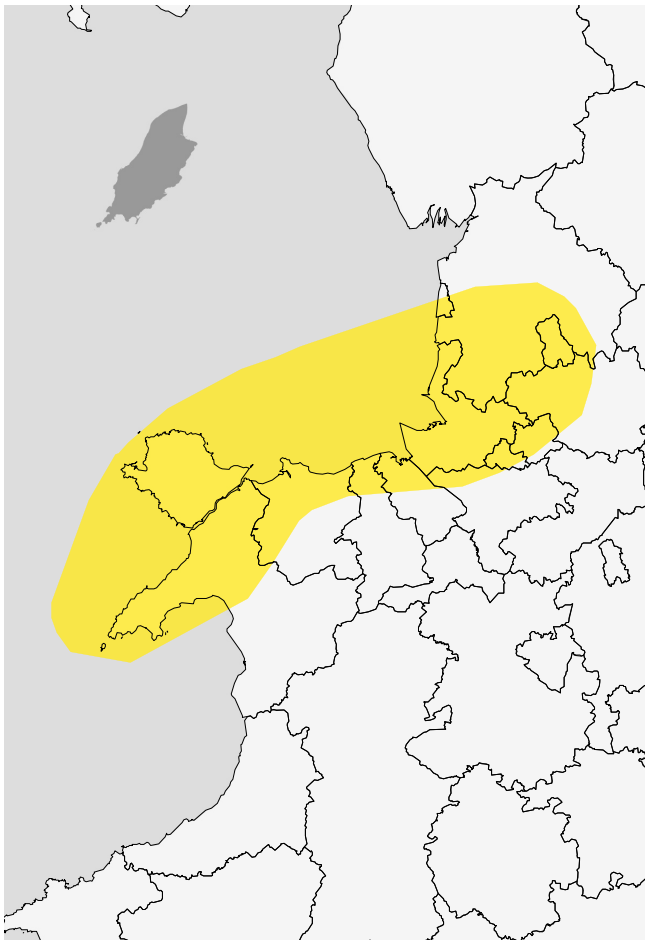
Yellow warning
Rain

Between
00:00 Mon 12 Sep 2022 and
11:00 Mon 12 Sep 2022



Heavy rain overnight into Monday morning bringing some disruption

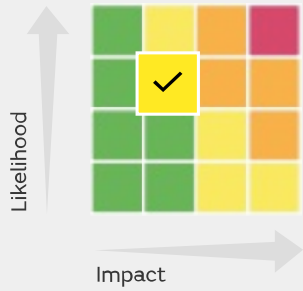
What to expect

- Spray and flooding on roads probably making journey times longer
- Bus and train services probably affected with journey times taking longer
- Some interruption to power supplies and other services possible
- Flooding of a few homes and businesses is possible

Further details

Following some rain during Sunday afternoon and evening another band of heavy rain is likely across parts of north Wales and into northern England from early on Monday morning. This will be slow moving for a time with the potential for widely 20-40 mm and some spots of 60-80 mm, these mostly for parts of northwest Wales.

With much of this rain falling in 3 to 6 hours some disruption is likely, particularly to travel during Monday morning.



Medium likelihood of low impacts
